Please review the statements on the next page and choose the option that best explains this student. Please note that we are only looking for exceptional students. There are a maximum of fifty leadership students chosen every year, including 7th and 8th graders. These students are given many privileges and responsibilities on our campus. They are trusted to conduct themselves around staff and the community in a way that represents Reyburn well. These students are frequently given tasks and expected to complete them independently.
