

SAFETY REMINDERS

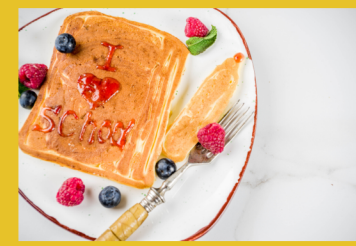

@ SIERRA VISTA

thank you

BREAKFAST & LUNCH

Due to California food & safety regulations, Campus Catering and Sierra Vista must adhere at all times. Food IS NOT allowed to be saved and/or shared with families/siblings. Parents must follow this rule or we cannot allow parents with students at breakfast time. Reminder - No parents and siblings are allowed in the food/kitchen line waiting for students to grab breakfast or lunch.

TRAFFIC SAFETY

- Drive slowly and safely to the parking lots for parent pick-up. Vehicles must move through the parent pick-up line and follow the instructions from staff on supervision duty.
- No parking on the handicapped lots or loading zone without a disability placard displayed.
- No jaywalking across Barstow and Pollasky Avenue at any time of the day. Use the crosswalks to cross safely.

NO LOITERING AT THE HALLWAYS/CLASSROOMS

Parents/families ARE NOT allowed to loiter, stay on campus, and/or pass through campus once school day starts from 7:40 am to 6:00 pm. When the bell rings at 7:40am, students and teachers will begin the school day. Parents/families leave campus at this time to allow students to start school. Grades 1-6 parents/families are not allowed to walk and wait at the hallways and by the classroom doors due to no supervision at the hallways. This is due to campus safety!

PARENT VOLUNTEERS

- All parent volunteers MUST complete the CUSD volunteer verification form (listed on the CUSD website).
- Parents will also complete and submit a TB verification.
- Parents who plan to chaperone or be in direct supervision of students on trips or at school (without the teacher/staff present) must also complete and submit fingerprinting.
