Happy Friday! It was a great week celebrating our teachers. We have such an amazing staff who truly care for our students. They are dedicated to ensuring each student is successful in mind, body, and spirit. Thank you, teachers, for everything you do to make our school a special place. Next week, our 3rd-6th graders continue with "Our Testing Era" by taking the Math CAT and Performance Task assessments. Just a reminder that students cannot be admitted into a class once testing has begun for the day, so please be sure that if you have a 3rd-6th grader that they are at school on time. Thank you for your support at home. Congratulations to our 4th grade boys track team! They are Clovis North Area Champions! We had many athletes finish in the top 3 at the CN Area Track Championships and we look forward to watching them compete at the District Championships next Friday. Lastly, we have the end of the year events quickly approaching. Please make sure you stay up to date with our website, Nugget, and your child's teacher newsletter so that you don't miss any of the events. Have a great weekend and **GOOOOO Miners!**
