Happy Friday Miner Families!

We ended a busy week on the Miner campus. We had a successful "Bubble Run" and I loved seeing all of the neon on our kids. The smiles, sweat and hard work was well worth it. We made our goal and that means the kids will get to see me get slimed. I am looking forward to the messiness and memories that are made by that event. I truly appreciate all your generosity. Today we hosted the Riverview Rams and our student-athletes competed with tremendous heart and showed great character. Please check your parent connect to check on your student's academic progress. If you have questions regarding an assignment or grade, reach out to your child's teacher. The communication and partnership is vital to your students success. Have a wonderful weekend and GOOOO MINERS!!!
