We have some students here at Riverview that have a life-threatening allergy to Peanuts/Nuts. Any exposure to peanuts/nuts puts these students at risk for an anaphylactic reaction. We are alerting parents of this in order to increase awareness and to promote a safe environment for our students. To accomplish this, we ask that you **do not send** any food with your child. Please keep this in mind, so we can have a successful, fun event for all our students!

POSITIVITY PROJECT

Integrity

Dear Families,

This week, our school will focus on the character strength of **Integrity**. Integrity means being honest, truthful, and genuine.

Integrity is doing the right thing even when no one is watching. People with integrity tell the truth and align their thoughts, feelings, and actions. They have the courage to stick to their beliefs, even if it means not following the crowd. Integrity is closely related to honesty and authenticity.

Integrity is essential for personal growth and well-being. When your thoughts, feelings, and actions are in harmony, you can grow and achieve your goals. Being authentic and genuine makes you more likable and trusted by others, improving your relationships.

To practice and encourage the character strength of integrity at home, please visit the Positivity Project's mobile-friendly [P2 for Families](#). There, you can watch a video, read a quote, and discuss three questions together.

Thank you for your continued support!

THINGS TO KNOW

Picture Day Retakes are coming up.

We will be at your school for students who missed the original Picture Day, or students who need to retake their photo. (Must return picture package if coming for a retake.)

We will send proofs to the school 3-4 weeks after Retake Day with your student's access code for online ordering.
