WEEK OF OCTOBER 21, 2024

POSITIVITY PROJECT

Creativity

Dear Families,

This week, our school will focus on the character strength of **Creativity**. Creativity means coming up with new and original ways to think about and do things.

Creative people see the world differently. They are open to new experiences and think independently. They come up with many ideas and pursue them with energy and enthusiasm. Creativity takes courage because sharing original ideas can sometimes lead to criticism.

Creativity is vital to our world! Creative solutions can help resolve conflicts and find compromises that satisfy everyone involved, strengthening relationships. It helps us solve tough problems, create new things, and see the world in fresh ways. Examples include treatments for deadly illnesses, such as cancer, the invention of the cell phone, and the development of solar panels. Imagine life without Impressionist paintings or the creation of airplanes and rocket ships.

To encourage creativity with your child at home, visit the Positivity Project's mobile-friendly [P2 for Families](#). There, you can watch a video, read a quote, and discuss three questions together.

Thank you for your continued support!

SAVE THE DATE

**RIVERVIEW
REMINDER**

**NO SCHOOL FOR STUDENTS ON
FRIDAY, NOVEMBER 1ST
PARENT-TEACHER
CONFERENCE DAY**

HALLOWEEN

OCTOBER 31

If your student wishes to wear their costume on Halloween (10/31), please ensure that their costume does not include: masks, face paint, make-up, and weapons of any kind. Students should be able to take their costumes on and off independently to use the restroom.
