

Dear Buchanan High School Students,

We hope you're as excited as we are to kick off the new school year in Bear Nation! This year, we're introducing a convenient and innovative way to carry your student ID – digitally. Say goodbye to the hassle of physical cards and hello to the future of student identification!

Introducing Digital Student ID Cards via Student Connect: We are thrilled to announce that starting this school year, we will be utilizing digital student ID cards on campus. Your digital ID card can be accessed through the Student Connect Application, a user-friendly app that brings a range of benefits right to your fingertips.

Here's How to Get Started:

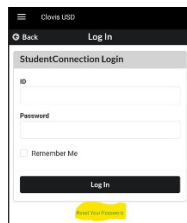

Step 1: Download the Student Connect App

- Open the App Store (iOS) or Google Play Store (Android) on your smartphone.

Step 2: Log in to Your Account

- Launch the app, choose Clovis Unified School District and log in using your unique school username and password.
- If you haven't received your login credentials or need assistance, please select “reset your password” or contact tech support at (559) 327-9595.

Step 3: Access Your Digital Student ID Card

- Once logged in, scroll down to the bottom of the app interface where you'll find the "Student ID" section.
- Tap on "Student ID" to instantly access your digital student ID card.
- Digital ID cards are “live” and must be accessed as needed (not a screenshot).

Advantages of Your Digital Student ID Card:

1. **Convenience:** Your digital ID card is available on your smartphone, ensuring you always have it with you.
2. **Instant Updates:** Any changes or updates to your student information will automatically reflect on your digital ID card.
3. **Quick and Easy:** Accessing your ID card through the app is a seamless process that saves you time.

We encourage every Buchanan High School student to take full advantage of this exciting digital initiative. This will take the place of your physical ID card. Should you encounter any difficulties during the download, login, or access process, please contact technology at (559) 327-9595 or visit the Activities Office.

If you prefer NOT to use a digital ID card, we will have physical ID cards available in the Activities Office toward the end of the first week. Remember, you **MUST** always have either your digital or physical ID card with you while on any CUSD campus and to attend games, dances, and other school sponsored activities.

Thank you for your cooperation in making this transition to digital student IDs. We believe this step forward will greatly enhance your experience at Buchanan High School.

Wishing you an amazing school year ahead!
