POSITIVITY PROJECT	PTC & SCHOOL INFORMATION	DETENTION & RESPONSIBILITY ROOM
OPM: Actions & Words Affect Others Everything you say and do can affect others and your relationships with them. Everything that we do, say, text, tweet, snap, or post can positively or negatively impact other people. You can be considerate of the feelings of the people around you. Ask yourself, "How would I feel if somebody else said this about me or someone in my family?" Remember that social media posts can help or hurt others. Act in a way that makes you proud of yourself when you help others feel positive, great, and happy. Event when you are angry, use self-control with your words and actions. <i>The Positivity Project, 2016</i>	Thank you to our staff, students, and families for your support with all PTC and ASB events! We can't do this without you! We truly appreciate everyone for your support! Trunk or Treat was a hit! There were approx. 630 individuals who attended this event. What an exciting event! McDonald's Night on Oct. 27 th raised over \$950 that will go to ASB school funds. Proceeds help to purchase supplies, incentives, support the school's campus, support athletic and academic programs, and so much more!
