“PERSEVERANCE” You never give up! You complete what you started despite the obstacles. Perseverance is a character strength that identifies someone who has the ability to spend time focused on a single goal or a set of goals. People with the strength or trait, perseverance, are able to take action to be successful and meet their goals. Perseverance can be quite contagious! Be the individual who helps others to learn how not to give up and to keep going until they meet their one goal or their set of goals. Adjectives to describe perseverance: Persistent, Devoted, Hardworking, Gritty, Committed, Industrious Tell yourself: I CAN DO THIS! I GOT THIS! Tell others: YOU CAN DO IT! YOU GOT THIS!	SAFETY REMINDERS: *Students may not be on campus until 7:15am (supervision starts). *From 7am-6pm, no students/adults should be standing/loitering in front of classroom doors, hallways, blind spots, and any location with no supervision on campus. All students and adults MUST report to the blacktop area or in the MPR where staff supervision is present. *No disruptive behavior or language on campus or toward other adults or students. Instruction starts at 7:40am – 2:25pm (Wed. at 12:55pm). *During sports practice or any co-curricular meetings, no one is allowed to disrupt the staff, students, and the environment.
