<b>CREATIVITY</b>  You come up with new and original ways to think about and do things. Creative people are able to look at the word in original ways. They are open to new experiences, and have an imaginative and independent thought process. They are able to generate lots of different ideas, and have the capacity to go after certain ideas they've generated with energy and enthusiasm. Creativity is a process that takes courage. Anytime you are putting your original ideas into the world, you risk being criticized or even ostracized. Creative thinkers or doers have a strong imagination. They are artistic, imaginative, inventive, inspired, original, and innovative. They love seeing, reading, writing, listening to something original.	<ul style="list-style-type: none"> <li><b>Parent Volunteers</b> in the classroom, on campus, and at field trips MUST complete the volunteer verification and TB verification BEFORE participation/volunteering. ## SV VIKING NEWS

- **Sierra Vista Viking Code** - This is our school pledge that we just started this school year. This is our pledge or promise at Sierra Vista Elementary. Our goal is to understand "what it means and why being a Viking is important".

- **Our Football Vikings won during cross-area game vs. Miramonte.** They worked hard and played hard with tackles, running, and more! SV Vikings took the win! Go Football!

**Congratulations to our Cross-Country athletes!** Six students represented SV Vikings really well. Although they did not place in the top 10 for each category, they ran their hearts out. SV is so proud of our runners staying and finishing the run. To end their season, they all completed the Jamba Juice Fun Run. Go Cross-Country Vikings!

**Congratulations to our SV Girls Volleyball** for winning 2<sup>nd</sup> place at district championships, Area Champions, and #1 in CUSD during league plays. Go Vikings!
