

iReady iPad Tutorial

Use this tutorial to get started with iReady on your iPad.

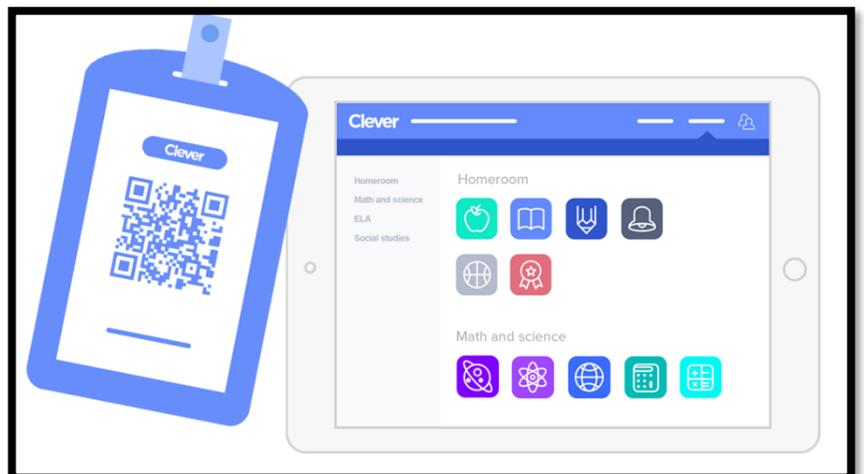

If you simply load iReady into your iPad, you will not be able to access this tool. The iReady app will ask you for username and password. And, that will not be supplied to you.

It is essential that you download **Clever** from the app store. Once you have both apps installed, then you/your child/student can navigate this app successfully.

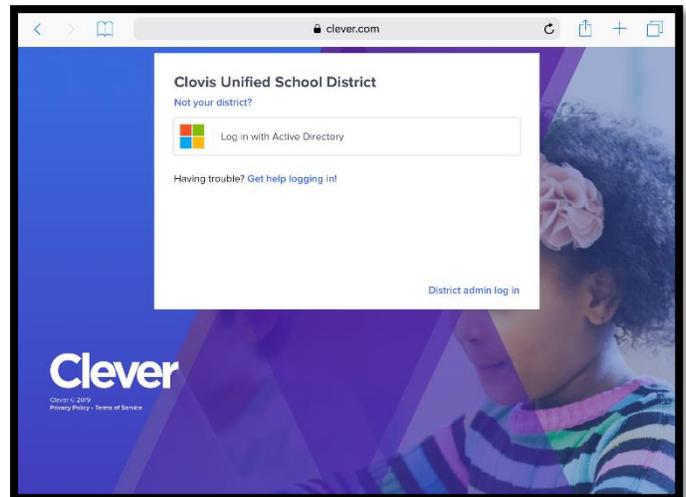

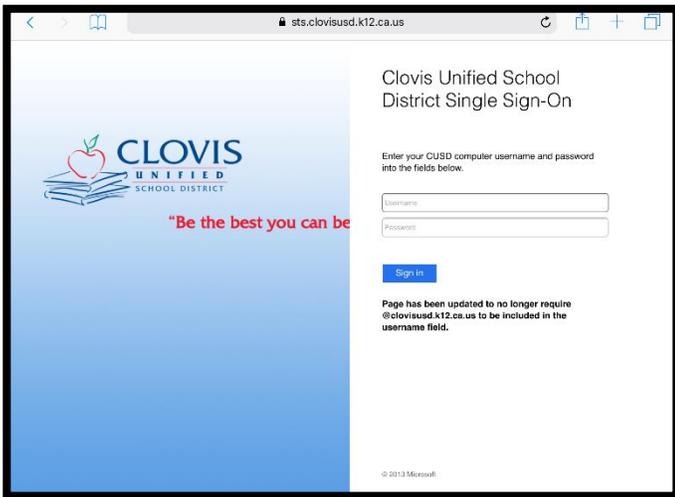

Some K-2 students may be able to sign into Clever on an iPad via a badge. Check with your teacher to see if this is possible for your child.

NEXT PAGE

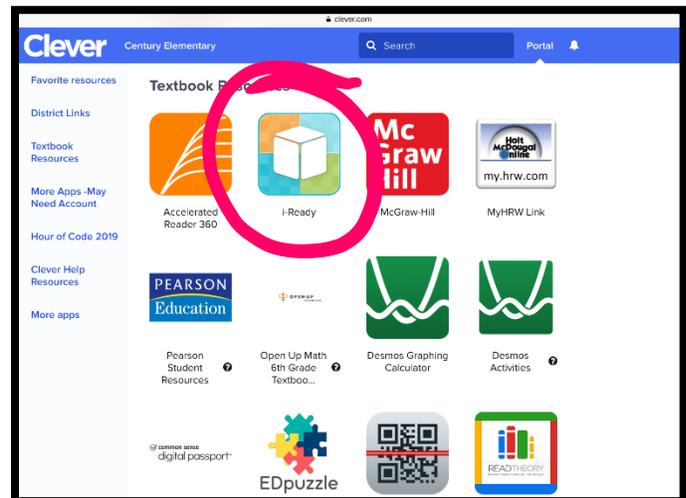

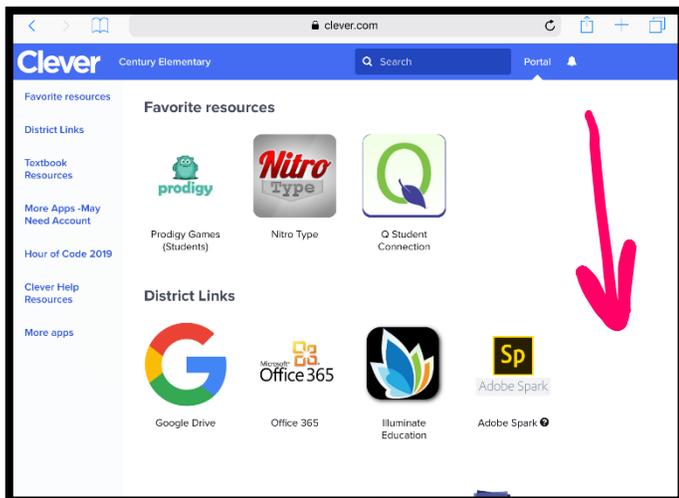

To enter the iReady app, you will **first** log into **Clever** using the CUSD provided username and password for your child. For most children, the username is your child's first and last name with a three-digit number at the end (mickeymouse001). The password can be obtained by talking to your child's teacher (depending on the child's age).

When you log into Clever, it will look like this (below). Sign in and then click the multi-colored box (right image).

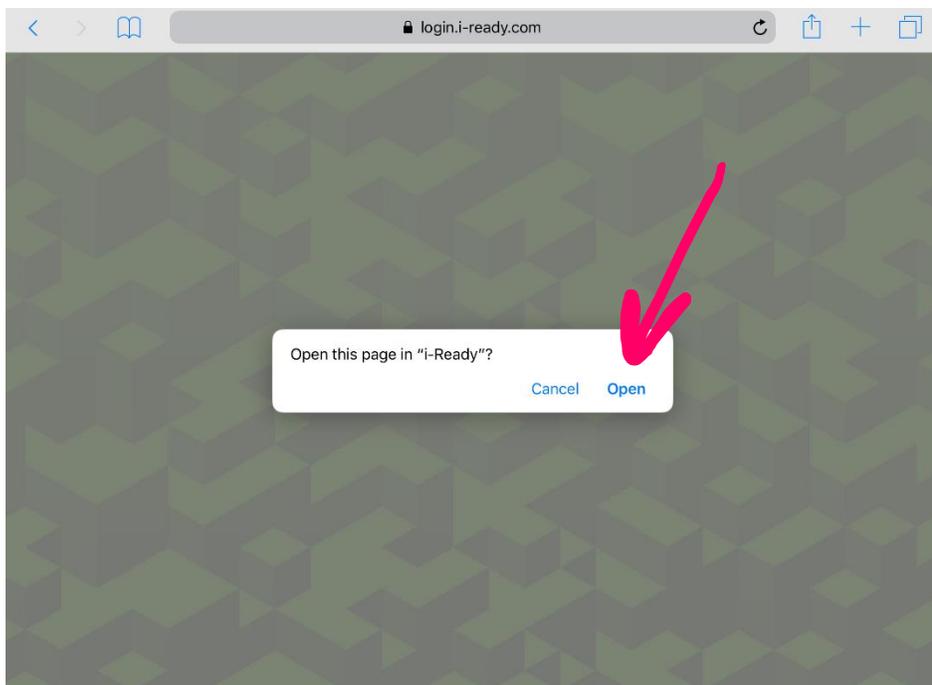

From here, navigate down the screen just a pinch until you locate the **iReady** icon. Click one time on the iReady icon.

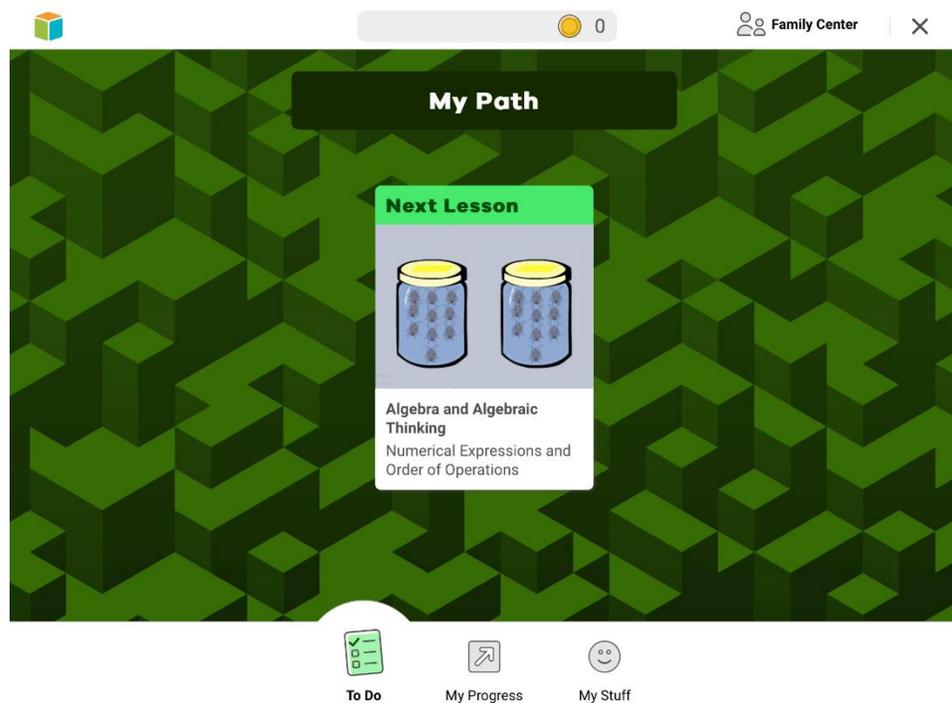

NEXT PAGE

You will be prompted to click **this button**. Please do.

Once inside the app, the child will see any assignments waiting for him/her.

NEXT PAGE

You can track your child's progress using the **My Progress** button.

The screenshot shows a dashboard with three main sections: 'Time-On-Task' (0 minutes), 'Lessons Passed' (0/0), and 'Math Lesson Streak' (0). A pink circle highlights the 'Completed Work' button with a dropdown arrow, and another pink circle highlights the 'My Progress' button in the bottom navigation bar.

In this area, you can click on **Completed Work** to discover the progress that has been achieved.

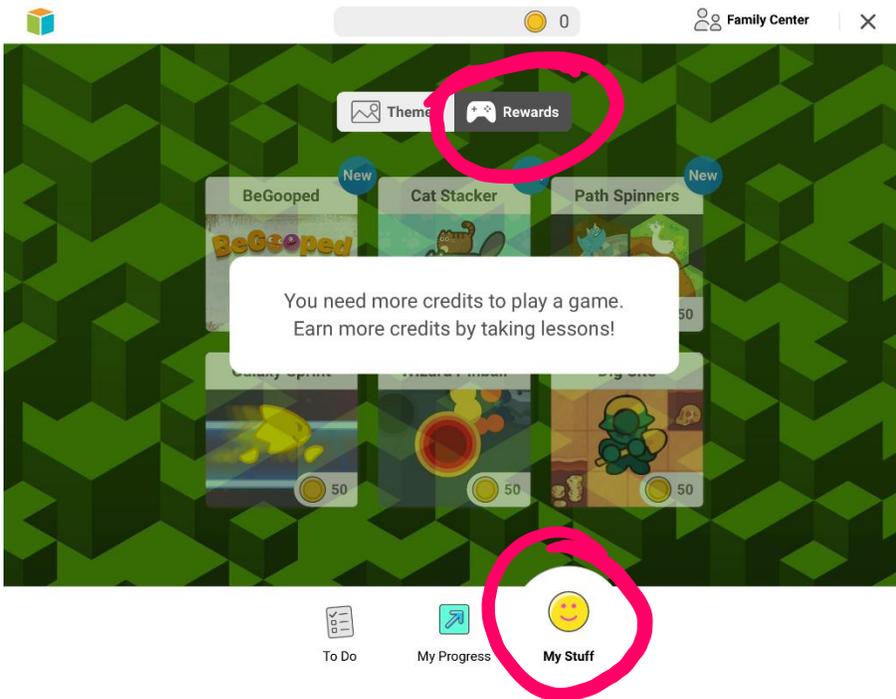

The screenshot shows the 'Completed Work' page with a 'Back to Lesson Stats' button at the top. Below is a table with one entry:

| Activity | Date | Score |
|------------|--------------|-------|
| Diagnostic | Aug 23, 2019 | 546 |

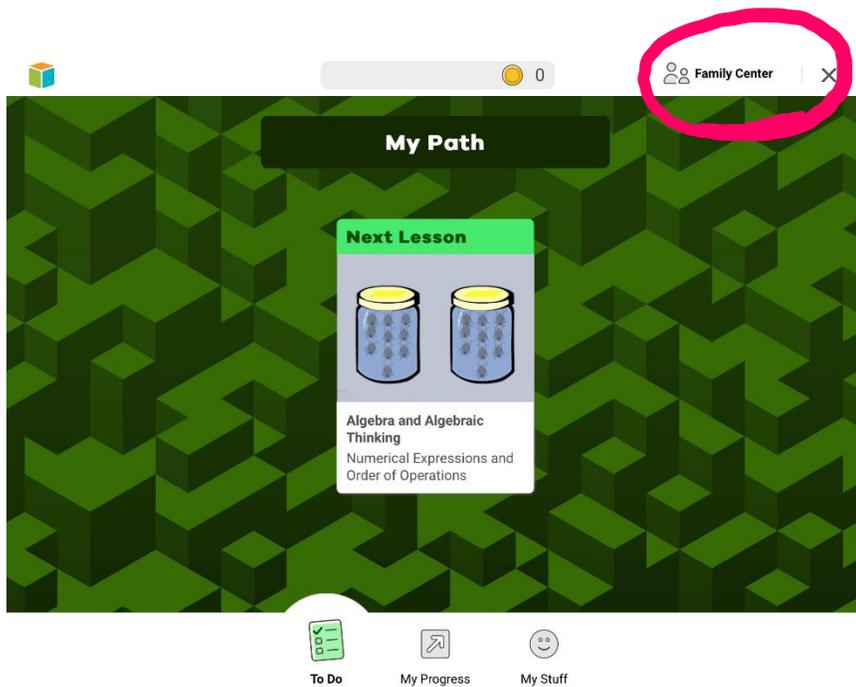

The bottom navigation bar shows 'To Do', 'My Progress', and 'My Stuff' buttons.

NEXT PAGE

Learning games will only open once the child has completed enough “work” for the day. This can be found in the **My Stuff** area in the **Rewards** category.

To find out more about iReady, simply use the **Family Center** button at the top of the screen.

NEXT PAGE

In that space, parents can find out more about iReady and how to support their child's learning.

Welcome!

The *i-Ready* Family Center is the place to learn how you can support and encourage your child's success with *i-Ready*. Download the *i-Ready* Family Guide, available in [English](#), [Spanish](#), [Portuguese](#), and [Haitian-Creole](#) to learn more!
