Point System and Advancement in Brackets

I. "Pool A and D" advancement will be based on the point system.

"Pool B and C" advancement will be based on the elimination system

(Games will go to pks if tied at the end of regulation.)

In the round-robin play in a single "pool" bracket, the point system described below shall be used to determine champions or advancement to an elimination round.

Basic Point Awards	Win	3 points
	Tie	1 point
	Loss	0 points

1. To determine advancement or order, apply the following in the order listed until a team can be identified:
 - a. Apply basic point awards. Advance the team with the highest Basic Points total.
 - b. If two teams are tied on Basic Points, then advance the team which won any head-to-head competition. If teams are still tied, then eliminate the team receiving more red cards by a player or coach.
 - c. If two or three teams are tied on Basic Points and no team may be advanced on head-to-head competition, then advance the team with the largest goal differential (total goals scored less goals allowed), maximum 5 per game. If no team may be advanced then:
 - d. Advance the team with the lowest "goals allowed" total.
 - e. Advance the team with the highest "goals for" total.
 - f. Teams still tied after rules 2-5 will go to penalty kicks. Each team will have five penalty kicks. If the score is tied after the first ten spot kicks, then the teams shall shoot one for one sudden death until a winner is determined (NFHS Rules). Shootout may be held Saturday morning if necessary.

II. Elimination or Championship Matches

If a match is tied in the elimination rounds at the end of regulation play, then penalty kick "Shootout" shall be conducted. The coaches shall provide the referee an ordered list of the first five players, on or off the field (except those who may have been disqualified) to take the kicks. Teams will alternate shots starting with the team determined by a coin toss by the referee. If yet tied, then the shootout shall continue utilizing five different players from each team that shall shoot one for one sudden death. (NFHS Rules)

Awards: Individual for 1st place Premiere Division; Team Trophies for 1st place in all divisions.

***D3 Consolation Matches 1 & 2:** Adjustments may be made so opponents do not play the same team twice.
