

# Clovis North Girls Soccer 2018-2019 Tryout Information

I would like to welcome all of you to the Clovis North Girls Soccer Program. The soccer program is aimed to maximize a players potential from 7<sup>th</sup> grade at Granite Ridge through senior year at Clovis North. Our goal is to develop complete players athletically, academically, and socially so that by their junior and senior year in high school they are ready for varsity soccer. Let's have a great season. Leave it on the field. Go Broncos! Coach Pap

### Paperwork needed to be turned in to tryout

1. *You must have an up to date Athletic/Physical packet turned in and approved by the Athletic Department. No player will be allowed to tryout without clearance from the Athletic Department. Athletic packets can be found in the athletics office or on the Clovis North website. Please take the time to check for all the necessary signatures on the athletic form.*
2. *All players must turn in the Emergency Card and player/parent tryout permission form to the coaches before trying out (No Exceptions).*

### General Tryout Information

- *Tryouts will begin Monday October 29<sup>th</sup> from 3:10pm to 5pm.*
- *Players demonstrating varsity potential will be invited to the varsity tryouts throughout the tryout process.*
- *Tryouts will last for several days. Coaches will notify players of cuts and placement earned throughout tryouts. All players are treated as young women and need to discuss any questions they may have with the coaches. We encourage the players, rather than the parents, to talk to the coaches about their tryout and placement.*
- *All Fall sport athletes can and must tryout as soon as their seasons have ended. Please check in with me before school, at lunch, or after school during tryouts.*
- *All players should come prepared with proper soccer attire, cleats, shin guards, ball, running shoes, water, etc.*
- *Only players are permitted around the field during tryouts with coaches, and invited guests. We welcome parents to watch at a respectable distance to allow uninterrupted tryouts and instruction.*

### Tryout Schedule:

- *JV & Freshmen Tryouts @ CN JV & Fr Soccer Field #3 from 3:10 – 5:10 beginning Monday October 29<sup>th</sup>.*
- *Varsity Tryouts @ CNV Soccer Field #6 from TBD beginning Monday October 29<sup>th</sup>.*

### What we are looking for, not just during tryouts, but Every Day.

- *Technical and Tactical Skill*
- *Experience and Coachability*
- *Teamwork and Attitude(No "I" in team)*
- *Effort in practice (100% all the time)*
- *Fitness, Speed and Agility*

***\*Cuts are an unfortunate reality of high school soccer. No player is guaranteed a spot on any team, even returning players. A roster spot must be earned each and every year. Many players have the necessary skills to play high school varsity soccer, but skill is not enough. You must stand out and play with intensity. There are only a few days to make an impression so make the best of your opportunity.***

Cut and return with your emergency card the day of tryouts-----
