What is Parent Teacher Club?

The Parent Teacher Club (PTC) is a non-profit organization of parents, guardians, teachers, students, and staff at Boris Elementary. Our purpose of existence is to plan events and raise money to pay for the extras that set our school apart for the rest. Boris PTC meets monthly and we invite **ALL** to attend.

What does membership in Boris PTC entail?

Your membership in Boris PTC requires no commitment of time or meeting attendance. Membership in Boris PTC gives exclusive voting rights in PTC matters and is a great way to ensure future quality academic and co-curricular programs. We encourage parents, guardians, teachers, grandparents, and other family members to take an active role in the education of our rising generation by joining the PTC.

Vision for 2018-19 How does my membership help?

It is our common goal to build a web of support for the students, teachers, and community of Boris Elementary. As the PTC, we want to become more involved in building and giving back as we enhance the educational experience through hands-on learning. Through teamwork with the staff and administration, we will focus our funds on our kids, alleviate some teacher expenses for classroom and instructional supplies, and afford opportunities students would otherwise not have.
