

2020-2021 CIAL ATHLETIC CALENDAR- FINAL DRAFT

For the remaining revised schedule, due to no new students on campus until February 1, at the earliest, and NO games can be played if we are in a Regional Stay at Home Order, we will not change or extend seasons due to the Regional Stay at Home Order, Tier Level or in any delay in allowing us to bring students back on campus per the FCDPH. We will cancel games and play any games remaining on the schedule, with the exception of football (see stipulation below). If we are not allowed to bring students back on campus on February 1st, we will move forward until we are allowed to bring students back on to campus. The season will not move into the next season due to decisions by the county to not allow students on campus.

*Due to the Spring sports being cancelled last year, Season #2 will be twice as long as the other seasons. Since BVB and Badminton missed their season last year, and they are in the orange tier, we will put them in Season #3 to give them a better chance of having a season for this year.

**Spring sports will have the priority for this year due to their season being cancelled last year. Thus, if B/G Basketball is allowed to play, they will play outside to allow BVB and Badminton to play inside since their season was cancelled last year.

***All decisions for this schedule were based on CDPH and FCDPH guidelines, prioritizing traditional Spring sports having the opportunity to play this year due to their schedules being cancelled last year, facilities, coaches coaching multiple sports and transportation.

****Game schedules will be based on the first round of the traditional fall season schedule.

Physicals would be required prior to participation in sports that are actually in-season and practicing with no restrictions. If there are restrictions on the sport, that sport will not be considered in-season.
