

# Red Bank Library

## Services During Online Learning

Mrs. Lencioni is excited to offer library services again!

Books can be reserved through our online catalog. Please follow these instructions:

1. Log into your computer
2. Go to [clever.cusd.com](http://clever.cusd.com)
3. Click on Destiny Discover (blue square with lightbulb)
4. Use the search bar at the top to search for a book by title, author or subject
5. Find a book you like to check out and press the green HOLD button

When you HOLD a book, the computer notifies Mrs. Lencioni. She will find the book in the library, check it out to you and have it ready for pick up. If there is a problem finding the book, Mrs. Lencioni will contact you to let you know.

**Each student can check out two books at a time.**

All books can be picked up and returned using our **Drive-Up Library!**

Drive- Up Library will be on Wednesday from 3pm-4pm near the Red Bank marquee (in the bus loading zone). There will be a container for book returns there as well. This will be a no- contact book pick up/drop off and masks are required. If you still have library books from last year, please return them at that time.

If you are having trouble finding a book or have any questions, please contact Mrs. Lencioni at [aprillencioni@cusd.com](mailto:aprillencioni@cusd.com) or 559-327-7881.
