- Welcome and Introduction
  - Mrs. Thomas welcomed the committee to the meeting and started with introductions and a quick overview of the purpose.
- Asian Student Success Conference- Reagan Educational Center
  - Mr. Hemaidan discussed the Asian Student Success Conference that was held virtually this year. He shared with parents some highlights of the conference and shared a short video regarding it
- Education Matters- Mrs. Thomas
  - Mrs. Thomas discussed how diversity impacts education and what we are doing across our campuses in the CE area
- Social Justice Standards- Ms. Parker
  - Mrs. Parker reviewed the social justice standards with committee members and differentiated between what standards are focused on at the elementary level versus what is focused on at the secondary level
  - Ms. Hart then showed an example of how the elementary standards are being implemented at her site specifically
- Cultural Responsivity & Building a Culture of Inclusion- Ms. Kawagoe and Mrs. Gibson
  - Mrs. Gibson reviewed what it is like to open a new school and build a school culture from the ground up. She discussed how building a culture and implementing strategies during COVID has provided a lot of challenges, but has also provided new opportunities to try new things
  - Ms. Kawagoe discussed professional learning in the Clovis East area and a book study that is beginning around culturally responsive teaching
- Black History Month- Dr. Belknap/Mrs. Vuola
  - Mrs. Belknap discussed at length about activities that were done in February around Black History Month and showed examples of the lessons provided to kids.
  - Mrs. Vuola then shared how the Positivity Project tied into Black History month and discussed how P2 infuses diversity lessons throughout the school year
