

Good evening Bearcat Families!

The following information was sent out in an email around 5:30 pm today, but I was recently advised that not all of our parents received the email and wanted to make sure everyone was informed. Please see below for information regarding events that are being postponed in order to ensure the health and wellness of our students, staff, and community!

You will or have already received an email from CUSD with important updates regarding postponement and cancellation of activities. Please refer to that email for specific details. At Orazo specifically, the following events are being postponed or canceled unless otherwise communicated:
