

Dear Golden Eagle Family,

It is a privilege and honor to serve as the principal of Clovis West High School and I couldn't be more proud of our students! The Golden Eagles work hard each and every day to hold themselves to the high standards that this school was founded on in 1976. In order to keep this rich tradition alive it takes hard work and support from our entire community. Our students are fortunate to have the support of amazing teachers, outstanding support staff, caring parents, alumni and members of the Clovis West Community.

The Clovis West Foundation is an avenue for you to continue to support our Golden Eagles. By becoming a member you are continuing the successes of our academic, athletic and co-curricular programs. Through fundraising efforts the Foundation has been able to support programs, offer student scholarships and provide classroom grants for teachers. This past school year, CW Foundation awarded grants to support our advanced placement courses, environmental science class, History Day, physical education classes, and created collaborative learning spaces in mathematics.

Your support is greatly appreciated and we look forward to all of the successes our Golden Eagles will have this year.

Eric Swain
Principal
