

RIVERVIEW ELEMENTARY *BLOCK R AWARD*

**An Introductory Guide for Earning the
“EXEMPLARY RAM AWARD”**

CLOVIS UNIFIED SCHOOL DISTRICT

2022-2023

Foreword

The Exemplary Ram Block R Award is the highest award that is offered to upper grade students at Riverview Elementary School. The recipients of this award truly exemplify the Sparthenian concept of Clovis Unified...to "be the best you can be in mind, body, and spirit". In essence, the award comes through goal setting, hard work, participation, and follow-through the ingredients of life-long learning and success. The Exemplary Award Program, used in nearly every elementary school in Clovis Unified, began decades ago. It started out as a simple way of getting students involved in school. At Riverview, it has become a focus on the total program that is offered to our students. We hope participation in the Exemplary Ram Block R process will inspire students to try more activities, recognize important opportunities, and open the door to new interests and hidden talents. Whatever the situation, we feel that the Exemplary Ram Block R Program has something to offer everyone.

PHILOSOPHICAL STATEMENT

Education plays an important role in preparing children for future challenges. This entails much more than merely teaching skills and imparting knowledge. The school must also provide a wide range of experiences for children and a framework within which positive attitudes can be nurtured. In essence, the school is an environment where children assume a variety of roles and engage in diverse experiences that allow them to explore and develop the many facets of their unique personalities and talents. It stands to reason that those who are involved in school activities and who learn *how* to participate in a variety of settings will have a better understanding of their own individual interests and abilities. Moreover, there is strong evidence to suggest that involvement and goal setting help students develop poise, self-confidence, and well-roundedness which are essential ingredients in exercising freedom of choice and decision-making as an adult.

This is what the **EXEMPLARY RAM BLOCK R AWARD** is all about. The award really has several functions. First, it is a vehicle to motivate students to become active participants in school activities. Second, it is a *blueprint* for parents and teachers to use in planning, encouraging and setting goals with children regarding their involvement in school activities and programs. Third, it helps to affirm that the nurturing of responsible, well-rounded individuals is important. Finally, it is a significant form of recognition for students who have met the criteria for the award.

Planning and commitment are the key factors in earning this award, not necessarily ability and talent. This handbook outlines the criteria for achieving the **Block R Award**. We hope that it will be useful to parents, teachers, and students working together in pursuit of a worthwhile goal.

OVERVIEW

The Exemplary Ram Award is the highest award a student may earn at Riverview Elementary. The **Block R Award** is available to fourth, fifth, and sixth grade students and is awarded in May at our Block R Award Program.

The criteria for earning this award reflects a broad base of participation, achievement, and service. In order to earn the Block R Award, a student must complete the required number of items in each of the following categories:

Mind – Academic Performance: 5 Items Needed

Mind – Academic Challenge: 1 Item Needed

Body – Athletics: 5th/6th graders - 3 Items Needed and 4th graders – 2 Items Needed

Spirit - Leadership & School Service: 3 Items Needed

Spirit – Personal Responsibility Program: 1 Item Needed

Spirit - Performing Arts: 5th/6th graders - 2 Items Needed and 4th graders– 1 Item Needed

Spirit - Community Involvement: 1 Item Needed

The purpose of this award is to recognize those well-rounded individuals who exemplify the qualities that Riverview hopes to foster in all of its students, namely: (1) the desire for self-improvement; (2) dedication and commitment in reaching for goals; (3) concern for and service to others; and (4) the willingness to be a positive role model to others. The word *EXEMPLARY*, in fact, means: (1) *deserving imitation*; (2) *servng as an example*; and (3) *worthy of being a model*.

A student need not be a "superstar" to earn this award; however, he or she must be an active and enthusiastic participant in the activities of the school, engaged in the pursuit of excellence and meeting certain standards of achievement and performance. Individuals earning this prestigious award receive a **Block R** plaque presented at a special program toward the end of the school year.

Over the past decades, the Exemplary Award Programs have had a positive impact on both individual students and the total school programs in the Clovis Unified School District in the following ways:

- Many students who had been reluctant to participate or try new things have now become much more active and involved.
- The quality of student participation has improved as students have taken the responsibilities and commitment of their involvement more seriously.
- It has provided parents and teachers with a means to identify students who either were too heavily involved in school activities or not involved enough resulting in the ability to offer appropriate guidance.
- Parents, teachers, and students view the "school-life" of a student as a total picture, not isolated bits and pieces.

It is our hope that all students will actively pursue this award, making it a part of their planning for their total school experience. Whether or not the student actually receives the award, striving for it will hopefully enrich and enhance his/her educational foundation.

In the sections that follow, specific guidelines and requirements governing the earning of points in each category are discussed. We encourage parents and teachers to work closely with students in planning and setting goals.

We appreciate the input and participation and the support of the Riverview community as we work to make the concept of this award meaningful to students and an important thread in the fabric of the Riverview educational program. Block R students represent the best Riverview has to offer!

CODE OF PARTICIPATION

The Riverview Co-Curricular program is an integral part of our total school program. It is an opportunity to allow all students to acquire progressively the skills, knowledge, and attitudes that lead to maximum development within their individual capabilities. It also affords the child an opportunity to develop social skills needed in order to be a well-adjusted individual. When students elect to participate in a co-curricular program (i.e., chorus, sports, etc.), they must recognize that they have assumed certain responsibilities and obligations to the coach advisor, to the members of the activity, and certainly to themselves.

Riverview School will maintain a "no cut" policy for all athletic teams. We encourage each and every child who has a desire to be part of a team while giving each individual the maximum amount of playing time possible.

Upon entering any sport or other co-curricular activity, students agree to participate in accordance with the Code of Participation. The code is enforced commencing with the second week of practice.

- Students are required to attend practice/rehearsal as established for the activity. Absences or tardies may be excused as with classroom attendance. The participant has the obligation to clear these with the teacher or coach.
- Students joining a sport or other co-curricular activity will be given one week grace period to determine whether they wish to continue with the activity throughout the entire season. The student and/or athlete will not arbitrarily or unilaterally "quit" a sport, activity, band, chorus, etc. After the grace period, the student may drop the activity only after consultation between the student, parent, coach or advisor and principal.
- Students are expected to respect and properly care for all property and/or equipment issued in conjunction with the activity. Team uniforms are the property of the school. Students who negligently lose or cause undue damage to a uniform will be charged for its replacement.
- Students will maintain a satisfactory level of scholarship ("C" average) and demonstrate satisfactory behavior and citizenship.

CODE OF ETHICS

1. The student will be respectful of his/her teammates, opponents, and all supervising adults.
2. The student will contribute as well as encourage others to contribute in their efforts towards the team's success.
3. The student should inspire competitiveness in teammates without personal antagonism toward the opposing team.
