PBIS NEWSLETTER

2nd Quarter Reward

PBIS allows us to recognize students for doing the right thing and working hard. Students can earn digital points that allow them to purchase incentives from our PBIS school store or from their teacher's classroom store. Incentives includes items such as: e sticky hands, stuffed animals, bring a stuffy to school, sitting next to a friend, etc..

The 2nd Quarter is coming to an end and we are having a reward assembly for those students who met grade level criteria. Each grade level has different criteria that is academic and behavioral. The criteria was emailed in a newsletter from the teacher at the beginning of the quarter.

What is P.B.I.S?

PBIS stands for Positive Behavior Intervention and Support. Copper Hills has three main behavior expectations for students: being Safe, Responsible, and Respectful. We also want our students to live our "Miner Code."

PBIS Guiding Principles

- Every child can learn proper behavior.
- Stepping in early can prevent more serious behavioral problems.
- Each child is different and schools need to provide many kinds of behavioral support.
- How schools teach behavior should be based on research and science.
- Following a child's behavioral progress is important.
- Schools must gather and use data to make decisions about behavior problems.
