

The Duties of all CHS NHS Inducted Members

Note: The NHS Handbook was used as a guideline for the following duties.

- **Dues** (Article IV, Section 3): Chapters may ask active members to pay annual chapter dues. The Constitution limits this amount to \$20 per student per year.

At this point, there are no dues asked of any CHS members.

- **Maintaining standards** (Article VIII, Section 1). Once selected, all members are expected to maintain the standards by which they were selected as published in the description of the local selection process.

- **Meetings** (Article XIII, Section 1). Chapters hold meetings and may require members to attend.

- **Chapter Service Project(s)** (Article XIV, Sections 1 & 2). All chapters are required to sponsor a chapter service project and all members are expected to participate (Section 2), assuming that the project meets the criteria as outlined in the Constitution (Section 3).

- **Individual Service Projects(s)** (Article XIV, Section 4). In addition to the chapter service project noted above, members are required to perform additional service according to their own talents and interests. This is to total a minimum of 10 hours.
