Instructions – Reserving a Library Book at Riverview

2020-2021 School Year

If your student is on your personal home computer, not a school computer, you must download the Clever extension to reserve books through the online catalog. For instructions on how to download, go to <https://www.cusd.com/TechnologyHelpforStudents.aspx> and scroll down to Clever information>Add clever extension.

1. Log into Clever
2. Click on the Destiny Discover button

*You can make it a favorite by clicking on the heart in the upper right-hand corner. This will move this button to the top of the page with your other important links.

- Give it a few seconds to log you in.
3. Search for books. Listed below are ways to search for books:
 - Use the search bar to search for a book by title, author, or subject.
 - Scroll through the recommended books
 - Search using the topic buttons: click the topic button you would like to search. At this point, you can narrow your search by AR level, Availability, etc., under filters.
 4. Find a book you like to check out and press the green hold button.

When you hold a book, it will notify Mrs. Johnston. She will find the book in the library, check it out to you, and have it ready for you on Wednesday from 1:30-3:30.
