Clovis Unified's Measure A is on the ballot this November. Learn more at cusd.com.

"Maximizing Achievement for All Students," means making sure that every school. no matter when it was built, is a high-quality learning environment where students can do their best.

Over time, our school has benefited from community support of facility bond measures in many ways, allowing us to continue to have a modern, well-maintained campus equitable to other schools around Clovis Unified.

"What will this school get if Measure A passes this November?"

Measure A is on the November 2024 ballot. If passed, it will provide Kastner with:
