Boundaries and Intra-district Transfers

Only Students living in the Garfield boundaries can enroll at this time. You must first enroll at you home school. If you wish to apply for a Intra-district Transfer and live in the CUSD boundaries use this link <https://www.cusd.com/Transfers.aspx>

Click on this link and scroll down to 2209 Intra-district transfer application. You can print out this document, fill it out, then send to your school of residence when you enroll. Once you have received an approved transfer contact Garfield at 327-6800 for instructions.

Out of District Transfers

If you live outside the CUSD boundaries you still need to enroll in your home school. Ask about your home District's process of applying for a Transfer to attend Clovis Unified. Please understand our numbers are getting tight and an Inter-district transfer must be re-applied for each year.

Again once you receive the approved transfer, you can go on-line and pre enroll your student. Be sure to up-load your Approved CUSD transfer with your other documents.
