

Library Book

Check-Out Instructions

1. Log into your computer
2. Go to Clever.cusd.com
3. Click on Destiny Discover (blue square with lightbulb)
4. Use the search bar at the top to search for a book by title, author, or subject
5. Read about the book and check the AR level if available
6. Find a book you would like to check out and press the blue HOLD button

When you HOLD a book, the computer notifies me. I will find the book at our library, check it out to you and have it ready for pick up. If there is a problem finding your book, I will contact you to let you know.

If you are having trouble finding a book or have questions about a book, you can call me at 559-327-8081 or email me at georgileonardo@cusd.com

Drive through library will be Wednesday from 2pm to 3pm in the Tarpey parking lot. There will be a container for book returns there as well. If you still have library books from last year, you can return those at that time. This will be a no-contact book pick up/drop off and masks are required. I can't wait to see you reading again!

You can check out 2 books at a time.
