

Rewards you deserve. An "out" you can rely on.

You can get special perks, reward and privileges for living drug-free!

In DFCA you...

-  Are rewarded for living drug free.
-  Enjoy student leadership opportunities.
-  Make your applications & resume stand out and boost your portfolio.
-  Have a safety net when dealing with drug situations by saying, "I can't, I might be tested."
-  Can rest assured that *only your parents/guardians* get test results (not the school or teachers).

PLUS: Members chosen by their school to be officers get to customize their club!

How it Works:

1. **Apply to Be a Member and Pay the Membership Fee.**
2. **Take a Drug Test.**
 - The testing process is private and SIMPLE!
 - Retests pop up randomly during the year. This gives you a *real* out in any situation with drugs. Just say, "I can't! I might be tested!"
3. **Receive a DFCA ID Card and Rewards!**
 - The card is used for special privileges and perks at school and in the community arranged by school. Common ones are jump the lunch line, discounts at restaurants, get out of the parking lot early, etc.
4. **Join a Community of Leaders.**
 - Learn about drug issues. No meetings required!
 - Make a plan to stop peer pressure and lead by example.
 - Show parents, friends, coaches, teachers, colleges, and employers a commitment to making healthy choices.

give-aways designed by teens!

“ I like Drug Free Clubs because of the benefits and rewards I get for being drug free. ”

- Anthony, Student

Help Design The Club!

Chosen teen leaders will:

- Create Club communication plans for the student body
- Suggest in-school rewards for members only
- Plan events, meetings, field trips
