

CSI - Clovis Support and Intervention

Granite Ridge Parent Permission Form

Dear Parent/Guardian,

Granite Ridge Intermediate offers students the opportunity to participate in educational support groups that are part of our Clovis Support and Intervention (CSI) Program. It is our goal in these groups that students will learn how to more effectively navigate life's challenges, find peer support, and enhance communication skills as they continue to work towards personal and academic success. Participation in the program is **voluntary** and parent/guardian consent is **required**.

These **confidential** groups are led by staff specifically trained and certified in educational support group facilitation. Facilitators follow curriculum that is created by Student Assistance Training International. These groups meet **once a week for one class period and run for 8 weeks**. Students in group are responsible for making up all class assignments and arranging a time with the teacher to make up any quizzes or test. Their teachers will be notified that they are attending a CSI group.

We would like your permission for your student to participate in the CSI group. If you have any questions regarding your child's participation, please feel free to contact me at **NicoleBerg@cusd.com**.

Sincerely,

Nicole Berg

GR CSI Site Coordinator

Please **return** the bottom portion to **Ms. Berg (Rm. 184) or to your group facilitator**.

_____ (Student Name Printed) has my permission to attend a Granite Ridge Intermediate (CSI) Clovis Support and Intervention Educational Support group.
