

# ASI DRAMA AUDITIONS:

## *Meet Me in St. Louis*

Four attractive sisters are all blazing with excitement over the 1904 World's Fair that is about to open in their hometown of St. Louis, Missouri. The girls are also in a state about the love life of their only brother, whom they suspect of ditching his sweet hometown girl for a snob from the East. In the midst of the sisters' humorous maneuvers to rule (or ruin) their brother's new romance, Father finally breaks in with his announcement---he's been offered a better job in New York which will mean leaving their home in St. Louis and missing the fair! Upon hearing this news, the girls unite for action. A most popular and charming play!
