

FOUNDATION
FOR CLOVIS SCHOOLS

Invest in Kids

Annually, Superintendent Eimear O'Farrell, Ed.D., offers a State of Clovis Unified School District address. This **sold-out breakfast event, hosted by the Foundation for Clovis Schools**, is an opportunity for business leaders in the community to connect with other like-minded leaders to hear about Clovis Unified. Thought leaders of our community **learn about issues impacting the District and ways they can partner with the Foundation to support our schools.**

Sponsorships are available to community members and organizations interested in joining with the Foundation to support students' academic and personal success.

We're returning to an in-person breakfast for 2021, provided that public health guidelines continue to allow for an in-person event. Ticket sales may be limited to accommodate distancing.
