California Education Code Section 8483(a) states that:

3. *Every after school program shall commence immediately upon the conclusion of the regular school day, and operate a minimum of 15 hours per week, and at least until 6:00 p.m. on every regular school day.*
4. *It is the intent of the Legislature that elementary school pupils participate in the full day program every day in which pupils participate to accomplish program goals.*
5. **ATTENDANCE:** Attendance is required for participating students. The program is funded based on students' daily attendance. Students who have EXCESSIVE absences will be dropped. Enrolled students must attend the program on days they attend school. If a student is absent from school, they may not attend ELP that day. Students may participate in on site co-curricular activities then report to ELP. On Fridays, athletes are expected to return to Sierra Vista from away games and attend ELP until dismissal time. Doctor/Dentist notes may be obtained from medical personnel and turned in to Teacher Fellow absences for any of those types of visits.

parents/guardian or a designated person on your students application. Students must be picked up promptly at the end of program time. If you are late, an ELP Staff can't contact anyone on the emergency list, the ELP staff is obligated to contact law enforcement.
