

Clovis East High School Club Exclusion Form

As part of its educational mission for students, Clovis Unified School District allows both curriculum and non-curriculum related student clubs to meet at school during non-instructional hours (e.g., before classes begin, during lunch period, club schedule, after classes end). The Governing Board believes that curriculum and non-curriculum-related student organizations can have an important place in students' lives. Besides extending and reinforcing the instructional program, such groups can give students practice in democratic self-government and civil social discourse, as well as providing social, intellectual, and recreational opportunities.

Non-curriculum related student clubs and the viewpoints and speech expressed at meeting of such clubs do not necessarily reflect the view of the Clovis Unified School District or the Board of Education.

If eligible under District eligibility standards, your student will have the opportunity to join one or more such clubs and to attend and participate in the meetings of any club that he or she joins. However, you have the right to inform the school in writing of any particular student club in which you do not wish your student to participate. Consent to participate will be presumed without written notice to the contrary. (Policy 2505)

If there are any organizations that you do not wish your child to be involved with, please return the attached form at registration. Or, you can mail or drop off your request to the Clovis East High School Activities Office, 2940 Leonard, Clovis, CA 93619. Questions? Contact the Activities Office at 327-4318.
